

FERNANDEZ HOSPITAL EDUCATIONAL AND RESEARCH  
FOUNDATION INVITES YOU TO

## Fernandez Postgraduate CPD Programme in Obstetrics & Gynaecology

Fernandez Hospital is conducting a Postgraduate Continuing Professional Development (CPD) programme in Obstetrics and Gynaecology, themed Strengthening Basics. The programme is designed to enhance the knowledge and clinical understanding of postgraduate students in women's healthcare, while also supporting their preparation for practical examinations.

The CME will focus on a wide range of topics in Obstetrics and Gynaecology and will include interactive case discussions on commonly encountered clinical scenarios, led by eminent faculty from the OBGYN specialty.
